

As our partners, we wanted to introduce you to a different way of doing Children's Ministry together. **TWO ON/TWO OFF.** We want to better care for the volunteers in our ministries, so in September we are launching a schedule designed to give you time to refresh and reenergize every month.

WHAT IS "TWO ON/TWO OFF"?

Instead of volunteers serving every week, they will serve during one service hour two weeks in a row and then have two weeks off. The new service hours with children's programming will be 8:00, 9:30, 11:15 am and 4:30 pm. There will be NO childcare or programming at the 6:00 pm service.

HOW WILL THIS WORK?

Team 1 will serve during the first and second weeks of the month and Team 2 will serve during the third and fourth weeks of the month. The occasional fifth Sundays will be "all in" as the volunteers who have been sharing a ministry role will come together to minister to "their" children and share stories of what God has been doing with their group. The schedule will run from September through August and provide consistency for our kids.

WHAT WE NEED FROM YOU . . .

Prayer. Please pray about where and how God might want you to serve this year. TWO ON/TWO OFF creates a more manageable time commitment and enables more people to join our team. Also pray about others you can invite to serve alongside you.

BUT WHAT IF???

. . . **I want to serve every week?** We would love that. Just let us know this when you respond.

. . . **I have other questions?** Please contact one of us.
