

Jesus (What a Wonderful Name)

Music and Lyrics by Jenny Bottoni

When I have no song to sing
And no offering to bring
I remember just one thing,
A name fit for a King

I just say Jesus, what a wonderful name
Jesus, what a beautiful name
Jesus, how I love to proclaim
Jesus, O Jesus

When the words won't come out right
And I'm no match for the fight
I can cry out in the night
And proclaim with all my might, that I need

Jesus, He is mighty to save
Jesus, He has conquered the grave
Jesus, there is Power in His name
Jesus, O Jesus

When I'm standing, head up high,
It's because He's heard my cry,
My God is my supply,
And now all I can reply, is...

Thank You Jesus, I want to say Thank You
Jesus, I need to say Thank You
Jesus, You're worthy, O precious Jesus
O, Jesus

I can cry Jesus, there's none quite like you
Jesus, no there's none quite like you
Jesus, You help me through
Jesus, O Jesus
