Global Impact Highlights

Main Idea: God is on a mission to reach the entire world. He wants to accomplish that mission through us.

Connecting

Have you ever been overseas, or served on a mission trip abroad? Describe your experience.

Understanding

Read Genesis 12:2-3, 2 Kings 19:15, Psalm 47:7. How does the Bible describe God's agenda for the nations beyond Israel?

Read Psalm 67. How does the Psalmist describe a world that is truly blessed?

Living

Which stories from Blackhawk's global partners resonated most with you? Why?

In what areas do you feel the world is especially broken? In what areas do you feel called to respond?

How would you describe your current involvement in God's mission to reach the world? What, if anything, is holding you back?

A common attitude is that "charity begins at home," or that "we should help our own first?" How would you respond to the idea of prioritizing charity in this way?

In reading the Torah during Eat This Book, where else have you perceived God's global agenda in the story of Israel?

Take some time to pray for the needs of our global partners and the lives they are working to change.

Sneak Preview:

Next Sunday: *The Call to Repentance (Deuteronomy 20)*
