HIGH SCHOOL MINISTRY

FALL 2018

HOME GROUP

Home Groups happen all around the Madison area on Wednesday Nights from 7-9 pm. Home Group includes large group community time and same-gender small groups. This is a great chance for students to build community, experience the active Word of God, and grow in knowledge of who Christ is and who we are in Him.

ALL CITY

All City is a large gathering of all Home Groups at Blackhawk Church. We see great value in getting to know people from other schools and Home Group communities—so we come together. This gathering is all about talking about stuff that matters, good music, and getting to know each other.

Don't miss All City & invite your friends!

SERVANT TEAM

Servant Team exists to equip, encourage, and empower students to serve Christ through Godly leadership. Students also have the opportunity to be a part of a team that works with a local organization in the community.

MENTORING

Navigating faith and life as a young person can be difficult. Through mentoring, students have the opportunity to connect one-to-one with a consistent mentor.

Please complete the form online if you are interested in having a mentor.

Blackhawk HSM desires to see all students take courageous next steps in their spiritual journey. We spent some time as a staff clarifying these student ministry **VALUES** that we hope communicates who we are and want to be:

Everyone Belongs

Whoever you are, whatever you're wrestling with, you're welcome and invited here. We celebrate each other.

Passionate to Know Jesus

We courageously take our next steps towards growing in our relationship with Jesus. We encounter Jesus through exploring the Bible.

Students and Adults Need Each Other

We are actively involved in the intergenerational church. The relationships formed will help our faith grow & last.

Connected Through Prayer & Worship

We sing about and meditate on the love of God. We support and encourage each other through conversation with God.

The Gospel Moves Us to Love Others

We share our stuff and our stories. We serve our neighbors in the Madison area. We care about justice issues around the world.

Life is an Adventure

We engage in unique experiences to explore faith. We challenge each other to live beyond ourselves.

In addition to our weekly Home Groups, we hope students will be engaged through All City, the Mentoring Program, Servant Team, and our trips. We're excited to experience the next steps God has planned for our HSM community this year!

Please call or email the HSM staff if you have any questions— that's why we're here!
