

MSM

MIDDLE SCHOOL MINISTRIES

FALL 2018

HOME GROUP

Home Groups meet on Wednesday nights from 6:45-8:45 pm in local homes most Wednesdays. Groups are divided geographically and by gender. Within these Home Groups, our goal is to break into groups of 4-5 students per adult leader because we believe spiritual growth happens best in a small group setting. We call these our 4:1 groups.

MSM UNITED

This year we will be kicking off and concluding both fall and spring semester with all Home Groups meeting at Blackhawk Brader Way from 6:45-8:45 pm for a large group gathering. Our goal for this time is to experience God together as a community through a variety of activities that may include (but are not limited to) worship, games, and interactive learning based on our current series.

LOCAL UNITED

Once a semester the boys and girls home groups from the same geographical area (brother-sister groups) will gather together at a local meeting point. Our goal with these gatherings is to foster healthy friendship relationships between the groups and to build a stronger connection as a unified group within the same community.

REVOLUTION

The student servant leadership team meets once a month (Sundays from 6:00-8:00 pm) intentionally growing into the servant leaders God created us to be. This team is open for any interested student to apply. Applications are available online.

Blackhawk MSM desires to see all students take courageous next steps in their spiritual journey. We spent some time as a staff clarifying these student ministry **VALUES** that we hope communicates who we are and want to be:

Everyone Belongs

Whoever you are, whatever you're wrestling with, you're welcome and invited here. We celebrate each other.

Passionate to Know Jesus

We courageously take our next steps towards growing in our relationship with Jesus. We encounter Jesus through exploring the Bible.

Students and Adults Need Each Other

We are actively involved in the intergenerational church. The relationships formed will help our faith grow & last.

Connected Through Prayer & Worship

We sing about and meditate on the love of God. We support and encourage each other through conversation with God.

The Gospel Moves Us to Love Others

We share our stuff and our stories. We serve our neighbors in the Madison area. We care about justice issues around the world.

Life is an Adventure We engage in unique experiences to explore faith. We challenge each other to live beyond ourselves.

In addition to our weekly Home Groups, we hope students will be engaged through serving in our community and church, trips, and Madison Missions.

We're excited to experience the next steps God has planned for our MSM community this year!

Please call or email the MSM staff if you have any questions— that's why we're here!
