

Series Title: Blind Spots: Blind Spots on How We View Worship

Main Idea: God wants us to have a genuine encounter with Him, which is much more than going thru the motions of a religious experience.

Connecting

What's the biggest live event you've ever attended?

What comes to your mind when you think about the word "worship"?

Understanding

Read Amos 4:4-13. What do you learn about God from these verses?

What do you think is wrong with Israel's worship?

How has God tried to get Israel's attention?

What does God desire in their worship?

Living

What is your biggest impediment to worshiping God?

When you go to a worship service, do you engage in any practices that help you worship?

Worship involves the head (learning), heart (emotions), and hands (service). Which of these three comes naturally to you? In which area would you like to grow?

How does worshiping God change your perspective on the rest of the week?
