

DISCUSSION QUESTIONS

Vision Sunday

Main Idea: We seek to live out the character of God before a broken world to establish His rule on the earth.

Connecting

1. What drew you to Blackhawk when you first started attending?
2. What makes you feel like you “belong” (to a church, group or organization)?

Understanding

1. Read Ephesians 5:1-2. As Christ-followers, what is to be our mission in life and in the church? What does that look like?
2. Read Matthew 5:14-16, 6:10 and 28:19-20. What common theme connects these verses? How do these verses play out in the life of the local church?
3. How do you see Blackhawk Church living out these verses?

Living

1. What opportunities to serve at Blackhawk have been most meaningful for you? How has God used them to help you grow?
2. How do you see yourself living out the Matthew verses in a broken world? How do you sense God nudging you to do this more fully?
3. What’s one take-away from your site pastor’s comments on Sunday?
4. What prayers are you currently praying for our church? Begin by praying for the ministries you are involved in. Take time to pray for your site/venue.
