

Discussion Guide: Vision Sunday/January 19, 2020

Connecting

Are you someone who makes long-term personal goals and plans, or are you more likely to live in the moment and take life as it comes?

How do you handle change?

Reflecting

Leaders, you might want to watch the 50-anniversary video from Sunday's message in your group (8 min): <https://vimeo.com/125474554>

As you reflect on Blackhawk's 55-year history, what seems significant to you? Did you learn anything new? How have you seen God working? How has God used Blackhawk in helping you grow spiritually?

What general reactions did you have to the message this week?

What questions do you have about what you heard on Sunday? (Life Group Leaders, please submit these questions to communications@blackhawkchurch.org)

Prayer

Before you pray, read James 4:6. Chris has cited this verse many times over the years.

In addition to praying for the needs of the people in your group, spend some time giving thanks and praying for the future of Blackhawk. Here are some suggestions:

- Give thanks for how God has worked and continues to work through BH
- God would continue to use Blackhawk to reach our community (in unity and humility)
- Blackhawk would represent Christ well in our community
- People would know we are Christ-followers by the way we love one another
- Transformation in each of our lives
- That BH would never lose its first love—Jesus
- Pray for wisdom and discernment for Matt, Charles, the elders, and all of Blackhawk's leaders and volunteers
